# Placement Plan

## DAY-TO-DAY IMPLEMENTATION OF CARE PLAN — HIQA STANDARDS 2018

This operational plan translates the statutory care plan into daily practice. It is prepared by the PIC/keyworker within 72 hours of admission and reviewed at every care plan review.

| Child's Name                                                                                                                                                                                        | Placement Date                                                                                                                                                                              | Keyworker                                                                                          |
