

# Healthcare Provision Arrangements

CHILDREN & YOUNG PEOPLE

## 1 OVERVIEW

Chosanta Management ensures that every child and young person placed in our care has timely access to appropriate primary and specialist healthcare services. We support a proactive and person-centred approach to physical, mental, dental, and developmental health needs.

All healthcare is coordinated in partnership with the child's social worker, GP, and any existing services.

## 2 PRIMARY HEALTHCARE

- ✓ Registration with a local GP within 72 hours of placement
- ✓ Routine health checks and immunisation tracking
- ✓ Dental and optical appointments scheduled as required
- ✓ Health records maintained in the child's care file

## 3 SPECIALIST HEALTHCARE ACCESS

- ✓ Referrals to specialist services (paediatrics, CAMHS, occupational therapy, speech & language)
- ✓ Coordination with HSE primary care teams
- ✓ Transport and accompaniment to hospital appointments
- ✓ Follow-up care plans documented and reviewed

## 4 THERAPEUTIC & PSYCHOLOGICAL SUPPORT

- ✓ Access to play therapy, art therapy, and counselling services
- ✓ Referrals to CAMHS for complex mental health needs
- ✓ Therapeutic input integrated into care planning

## 5 MENTAL HEALTH & EMOTIONAL WELLBEING

- ✓ 1:1 keyworking and emotional check-ins
- ✓ Crisis support through Jigsaw or HSE referral
- ✓ Mental health reviews included in care plan

### Staff Training:

- ✓ Trauma-informed care
- ✓ Child and adolescent mental health
- ✓ TCI de-escalation methods

## 6 CONSENT & CONFIDENTIALITY

- ✓ Informed consent obtained from social worker or guardian for non-emergency treatment
- ✓ Young people are consulted on healthcare plans appropriate to their age
- ✓ Health records securely maintained in line with GDPR and HIQA regulations
