

Service User Rights & Advocacy Policy

RESIDENT-CENTRED RIGHTS FRAMEWORK

1 PURPOSE & SCOPE

To uphold and promote the rights, choices, and dignity of all residents, ensuring access to independent advocacy and support. Applies to all residents and staff.

2 RIGHTS OF RESIDENTS

- ✓ Be treated with dignity and respect
- ✓ Privacy in all aspects of personal care
- ✓ Make choices about daily life — meals, routines, relationships
- ✓ Participate in decisions about care and support
- ✓ Access own personal records
- ✓ Make complaints without fear of reprisal
- ✓ Live free from abuse, neglect, or exploitation

3 ADVOCACY SUPPORT

- ✓ Residents may appoint a family member, friend, or professional advocate
- ✓ Staff assist in accessing external advocacy services; National Advocacy Service (NAS) contactable
- ✓ All residents understand their rights via accessible formats and tools

4 CONSENT & COMPLAINTS

- ✓ Informed consent obtained for all assessments, interventions, and support plans
- ✓ Clear complaints policy communicated; complaints recorded, investigated, resolved fairly
- ✓ Rights and advocacy use monitored through audits and resident feedback
- ✓ Policy reviewed annually or when legislation changes
