

Food Safety / HACCP Records Policy

SECTIONS 1-4: PURPOSE, SCOPE, RESPONSIBILITIES & RECORD KEEPING

1 PURPOSE

To maintain accurate, complete and auditable food safety and HACCP records that demonstrate compliance and protect the health of children and young people.

2 SCOPE

- ✓ All food safety, temperature, cleaning and incident records
- ✓ Kitchen, service and storage areas

3 RESPONSIBILITIES

- ✓ **Catering Staff:** Complete daily records accurately
- ✓ **PIC:** Oversight and approval of records
- ✓ **All Staff:** Report food safety issues

4 RECORD KEEPING

- ✓ Fridge, freezer and cooking temperature logs completed daily
- ✓ Cleaning schedules signed and dated
- ✓ Delivery and waste records maintained
- ✓ Allergen and special diet controls logged
